

Ian's mobile farm comes to visit!

Nursery, Reception and Year 1 had an amazing visit from Ian's mobile farm. We learnt lots of different facts about the animals depending on which year group we were in. Ian told us how he cares for his animals and the different jobs they have on the farm. We learnt about how we get milk from a cow and loved having a go at milking a pretend cow.

"I really liked getting to groom the animals."
Amiyah

"The animals were so cute! I liked learning what they like to eat."
Grace
