

In RE we will ask the questions: 'What do Christians believe about the old and new covenants.'

As artists we will complete our work on photography. The children have spent lots of time refining and improving their work.

In computing we will consolidate our learning in coding.

In PE we will enhance our athletics skills, ready for Sports Day.

When studying fundamental British values we will look at Individual Liberty.

As historians we will look at the achievements of the earliest civilizations – an overview of the impact the Ancient Egyptians had on our society.

As scientists we will continue to study the topic 'Forces'.

Class novel: Secrets of a Sun King.

Class 5 – Summer 2

In Geography we will study Egypt and look at it's geographical location and the importance of the Nile .

As writers we will write an explanation text explaining how to mummify. We will then end our year with a story about transition; following the story, 'The Arrival'.

For enrichment this half term we will take part in French Day, Sports Day and our transitions to our new classes.

As mathematicians we will we will be working on our skills in shape, space and measure.

As musicians we will continue to practise Samba.

In E-safety we will look at a range of ways to report concerns online.

In Guided Reading we will continue to read 'Beetle Queen'.

In PSHCE we will look at careers, financial capability and economic well-being.
