

Year 6 Residential to Fanwood – 2nd to 4th October 2024

Year 6 enjoyed a two-night residential at Fanwood activity centre. Children took part in a broad range of outdoor activities including low ropes, axe throwing, archery, grass sledging, bouldering and caving.

Trained staff from Go Wild Outdoors taught the children bushcraft skills such as den-building and fire-lighting. A great time was had by all!

Pupil voice samples

“The caving was very fun!”

“I’m proud of myself for staying the full two nights.”

“The activities were amazingly fun, especially the caving.”

“I enjoyed the archery and learnt some new skills.”

“I learned about survival skills such as den building and fire lighting.”
