

WRITING

We will be reading 'Owl Babies' and learning to write a letter.
We will also write a fact sheet about penguins.

MATHS

We will be looking at addition and subtraction and understanding the vocabulary in simple word problems.
We will also be looking at 2D and 3D shape.

SCIENCE

SEASONAL CHANGES
We will observe changes across the four seasons; Observe and describe weather associated with the seasons and how day length varies.

RE

HOW DO WE CELEBRATE SPECIAL EVENTS?
In RE we will name some celebrations and talk about how these are celebrated.

Autumn 2

GEOGRAPHY

MY LOCAL AREA
In geography, we will be using our observational skills to study the school grounds and the local area of Queensbury.

ART AND DT

In art, we will continue with designing and making junk models. We will also explore colour mixing with paint.
In DT, we will be focusing on structures.

COMPUTING

In computing, we will continue to explore online safety and online relationships.

PE

In PE, we will be learning different rolls, jumps and balances in gymnastics. We will also be practising ball control and target games in golf.

PSHE AND MUSIC

In PSHE, we will be exploring the meaning of 'valuing difference'.
In music, we will be exploring rhythm and pitch in different music genres.
