

RE and PSHE

In RE, we will learn about how we can make good choices.

In PSHE, we will learn about valuing our differences.

PE

In PE, we will be focussing on gymnastics and dodgeball.

Art and DT

In Art, we will be creating foil sculptures.

In DT, we will be creating structures based on Baby Bear's chair.

Science

We will learn all about materials this half term. We will identify and compare the uses of a range of materials.

Geography

We will be learning all about cities in Geography this half term. We will learn what makes a city, and about our capital city. We will learn some of the landmarks we would find in London and compare this with other famous cities.

Computing

We will learn about the features and uses of information technology and how it is used in and beyond school.

We will learn how we can use technology safely.

Maths

In Maths, we will learn continue learning about addition and subtraction. We will learn lots of different methods to support us with learning this. We will also do a unit on shape.

Writing

We will be writing a character description based on 'The Hodgeheg'.

We will be writing instructions and a letter to Santa based on 'Polar Express'

Year 2 - Term 2
