

In our writing lessons we will be using the book, 'Julius Caesar' to write a non-chronological report and the Romans.

In mathematics we will begin to learn about measurement and fractions.

As scientists we will continue to learn about rocks and asking the question: *What do rocks tell us about the way the Earth was formed?*

In RE we will ask the question, 'What do Christians believe about a good life?'

### Topic Map - Spring 2

In history we will ask the question: Why did the Roman's want to invade Britain? A study of the Roman Empire and its impact upon Britain.

In physical education we will study orienteering and gymnastics.

In our guided reading lessons we will be reading and discussing the book, 'Matilda'.

As part of our enrichment we will attend our trip to Tolson Museum.

In design and technology we will be cooking.

In art we will continue to develop our pencils skills and use oil pastels to create cave art.

In PSHCE we will learn about rights and respect. We will also continue work on our new lessons, 'My Happy Minds'.

We will be developing our language skills when we learn French. We will begin to look at fruits and vegetables.

In computing we will continue to study computing systems and networks.
